A Letter from the President

Dear Friends and Supporters,

The board of the South Country Education Foundation, the Auction Committee and the Community Advisory Council welcome you to our 19th Annual Cocktail Party and Auction. Your continued support of the SCEF enables us to fulfill our mission of enhancing educational opportunities for the students of the South Country School District.

We thank our gracious hosts, Chantal and Richard Berman, for providing this marvelous setting for our event, once again. Their support and hospitality over the years is remarkable and greatly appreciated. Additionally, our local community has been incredibly generous, and we ask that you support all of our local businesses. They have been instrumental in making our auction a continued success.

We also thank our event sponsors and all who helped organize our event this year. It takes many hands to put together a successful fund raiser and the commitment to our students is true testament to the 2017 SCEF Auction Committee. We are fortunate that the South Country community is filled with people who care about education and our students. Thank you for your generosity. Enjoy our 19th annual event.

With my sincerest thanks,

A handwritten signature in black ink, appearing to read 'F. Lento'.

Frank Lento
President - SCEF
